<p>6. Title of proposed action: Issuance of a state permit to continue large mining operations, based upon receipt of a complete Notice of Intention (NOI) to Commence Mining and Reclamation Activities.</p>	
<p>7. Description: Interstate Brick Company, has submitted a complete application to conduct continued mining and reclamation operations at an existing open pit clay mine in the 5-Mile Pass area, Tooele County, Utah. The project is entitled the Five Mile Mine. The operator will post a \$52,500 reclamation bond for approximately 50 acres of existing and proposed surface disturbance on private and federally owned lands. The mining is intermittent in nature, dependent upon market demands. Anticipated life of operation is 60 years.</p>	
<p>8. Land affected (site location map required) (indicate county) Combination of privately owned and federal (BLM) land. Operation to affect portions of sections 4 &amp; 5, Township 7 South, Range 3 West, SLBM, Tooele County, Utah. See attached location map.</p>	
<p>9. Has the local government(s) been contacted? Yes</p>	
<p>10. Possible significant impacts likely to occur: Typical open pit strip mining techniques will continue to be used onsite (dozer, loader, dump truck, some drilling and blasting) to extract the clay deposit.
